Who is this book for?

For anyone who wants to **speak** English correctly, one small step at a time. Every rule is explained in simple words, with many examples. If a 10-year-old can read it, you can too.

What you will learn in 50 days

1. **All 12 tenses**, in simple language.
2. **Subject-Verb Agreement**: making "who" and "does what" match.
3. **100 common verbs**, with their past forms (V1, V2, V3), two new verbs every day.
4. **Real speaking**: introducing yourself, telling stories, giving work updates, speeches.

How much time every day?

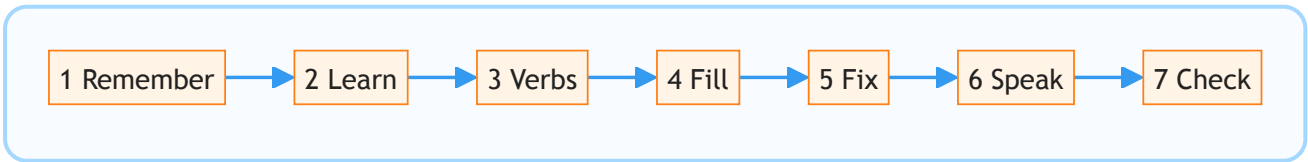

30 to 40 minutes. Same time every day, like brushing your teeth. A fixed time (for example, after tea) helps your brain build the habit.

The 7 steps of EVERY day

Each day has the same shape, so you never get lost.

Step	What	Time
1. Remember	Spaced-review: say old sentences from earlier days	5 min
2. Learn	Read today's lesson. Say every example **aloud**	10 min
3. Verbs	Learn the 2 verbs of the day (V1, V2, V3)	3 min
4. Fill	Fill in the blanks	5 min
5. Fix	Fix wrong sentences	3 min
6. Speak	Do the speaking tasks (aloud!)	10 min
7. Check	Check answers. Say the corrected sentences 3 times. Tick your tracker	3 min

Flow Chart: Your Daily Journey

Golden rules

1. **Speak OUT LOUD.** Reading silently is not enough. The mouth must practice, too.
2. **Mistakes are good.** Every mistake is your brain learning.
3. **Cover the answers first.** Try before you look.
4. **Do not skip the Remember step.** That is the secret to never forgetting.
5. **Record yourself** on your phone on speaking days. Your voice is the best teacher.
6. **If you miss a day,** do NOT start again. Just continue with the next day, and do the missed day later.

The Secret of Remembering: Spaced Repetition

Why do we forget?

Our brain forgets new things very fast, like a sandcastle near the waves. But when we **meet the same thing again just before we forget it**, the brain says, "Oh! This is important!" and keeps it much longer.

The plan we use

Every lesson comes back to you again after **1 day, 3 days, 7 days, 14 days and 30 days**. This is called **spaced repetition**.

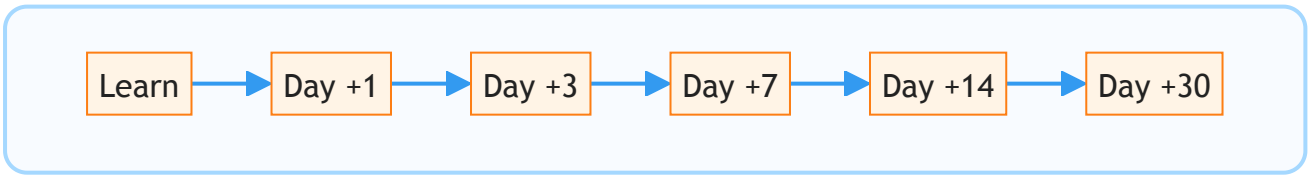

You learn on	You see it again on
Day 1	Day 2, Day 4, Day 8, Day 15, Day 31
Day 10	Day 11, Day 13, Day 17, Day 24, Day 40
Day 20	Day 21, Day 23, Day 27, Day 34, Day 50

You do not need to count. **Every day, step 1 ("Remember") tells you exactly what to review.** Cover the sentences, say them from memory, then check.

How to do the "Remember" step (active recall)

1. Read only the **title** of the old day.
2. Try to say the old sentences **from memory**.
3. Uncover the sentences and check. Did you get them right?
4. If you forgot, say the sentence **3 times** and put a small star next to that day. Star days come back in your weekly review.

Flow Chart: Meet it again before you forget

If you forget a sentence, say it 3 times and put a star next to that day.

Also: "Weekly check-up" days

Days **7, 14, 21, 28, 35, 42, 49** are check-up days. You test yourself on the whole week.

Week 1 — Build the Base

Sentences, am/is/are, Simple Present, matching subject and verb

Day 1: The Two Boss Words: Who and Does-What

Time: 30–40 minutes

Step 1: Remember (Spaced Review, 5 minutes)

Nothing to review today. This is Day 1! From tomorrow, this step will bring back old lessons.

Step 2: Learn

Every sentence has two boss words.

1. **Subject** = WHO (or WHAT) the sentence is about. (a person, animal, or thing)
2. **Verb** = the DOING word (or "being" word). It tells what the subject does.

Think of a sentence like a train. The **subject** is the engine. The **verb** is the first coach. Without both, the train cannot move.

Subject (WHO)	Verb (DOES WHAT)	Rest of sentence
I	eat	an apple.
The dog	runs	in the park.
My mother	cooks	rice.
The kids	play	cricket.
Rahul	reads	a book.
The sun	shines	in the morning.

The 7 small subject words (pronouns). You will use them every day:

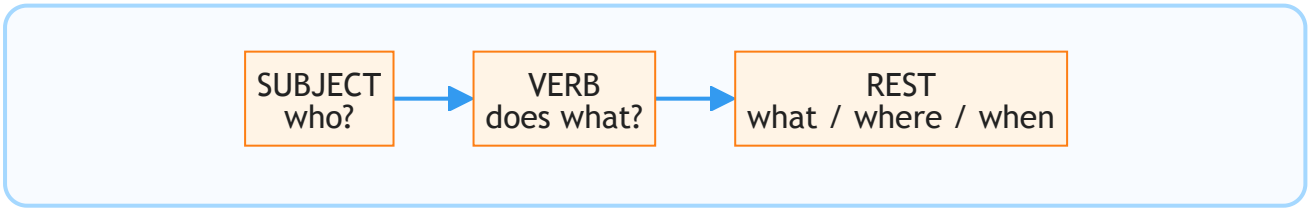

Word	Means	Group
I	me	alone
you	the person I talk to	alone or many
he	one boy / man	one
she	one girl / woman	one
it	one thing / animal	one
we	me and others	many
they	other people / things	many

Big secret for later: *he, she, it* are a special group. Verbs change a little for them. We will learn this tomorrow and the day after. Today, just find the subject and the verb.

Many examples. Read each one aloud:

1. I **drink** water.
2. You **speak** well.
3. He **plays** football.
4. She **sings** a song.
5. It **barks** loudly.
6. We **walk** to school.
7. They **watch** TV.
8. My father **drives** a car.
9. The teacher **writes** on the board.
10. The birds **fly** in the sky.
11. Priya **draws** pictures.
12. The baby **sleeps** at night.

Flow Chart: A sentence is like a train

Part	Example 1	Example 2	Example 3
Subject (engine)	I	The dog	My mother
Verb (coach 1)	eat	runs	cooks
Rest (coach 2)	an apple	in the park	rice

Say it aloud, 3 times each (this is your daily drill):

1. I drink water.
2. She sings a song.
3. We walk to school.
4. The birds fly in the sky.
5. My father drives a car.

Step 3: Verbs of the Day

V1 (today)	V1 + s (he/she/it)	V2 (yesterday)	V3 (have/has/had)
add	adds	added	added
allow	allows	allowed	allowed

Say these sentences aloud:

- **add:**
- I add sugar to the tea. (She adds sugar to the tea.)
- Yesterday, I added sugar to the tea.
- I have added sugar to the tea.
- **allow:**
- I allow the kids to play outside. (She allows the kids to play outside.)
- Yesterday, I allowed the kids to play outside.
- I have allowed the kids to play outside.

Step 4: Fill in the Blanks

1. In 'The dog runs fast', the subject is _____.
2. In 'The dog runs fast', the verb is _____.
3. In 'We eat lunch', the subject is _____.
4. In 'Mona reads a book', the verb is _____.

Day 2: Am, Is, Are: The Being Words

Time: 30–40 minutes

Step 1: Remember (Spaced Review, 5 minutes)

Cover the sentences. Say them from memory. Then check.

Day 1 — The Two Boss Words: Who and Does-What *(learned yesterday)*

- I drink water.
- She sings a song.
- We walk to school.
- The birds fly in the sky.
- My father drives a car.

Step 2: Learn

Some verbs do not show an action. They show **what someone IS** (or where, or how). The three being words for now are **am, is, are**.

Which one do I use? Match it with the subject:

Subject	Use	Example
I	**am**	I **am** happy.
he / she / it	**is**	She **is** tall.
you / we / they	**are**	They **are** my friends.
one person or thing	**is**	The book **is** red.
many people or things	**are**	The books **are** red.

Short forms (we use these when we speak): I am = **I'm**, he is = **he's**, she is = **she's**, it is = **it's**, we are = **we're**, you are = **you're**, they are = **they're**.

Many examples:

1. I **am** a student.
2. I **am** hungry.
3. You **are** kind.
4. He **is** my brother.
5. She **is** at home.
6. It **is** a big city.

8. They **are** in the garden.
9. The sky **is** blue.
10. The mangoes **are** sweet.
11. My shoes **are** new.
12. Delhi **is** a big city.
13. Asha and Ravi **are** twins.
14. I'm tired. She's happy. They're late.

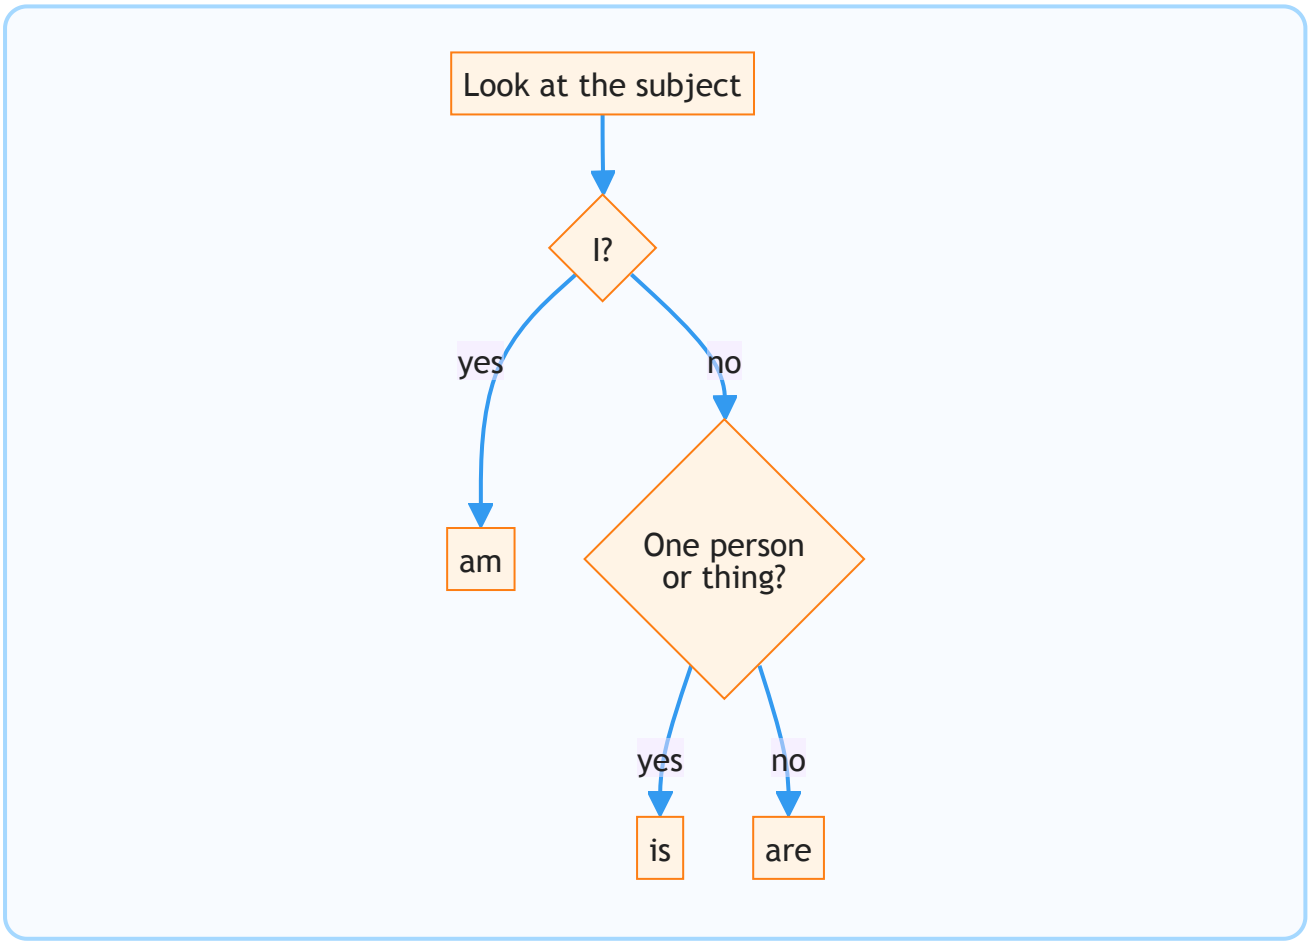

Making it a "no": put **not** after it. I am **not**, he is **not** (isn't), they are **not** (aren't).

- I am **not** sad.
- He **isn't** angry.
- We **aren't** late.

Making it a question: flip the order.

- You are ready. ➜ **Are you** ready?
- She is here. ➜ **Is she** here?

Flow Chart: Which one: am, is or are?

Say it aloud, 3 times each (this is your daily drill):

1. I am happy.
2. She is at home.
3. They are my friends.
4. The mangoes are sweet.
5. Is he ready?

Step 3: Verbs of the Day

V1 (today)	V1 + s (he/she/it)	V2 (yesterday)	V3 (have/has/had)
appear	appears	appeared	appeared

- Yesterday, a star appeared in the sky.

Day 3: Simple Present: Things I Do Again and Again

Time: 30–40 minutes

Step 1: Remember (Spaced Review, 5 minutes)

Cover the sentences. Say them from memory. Then check.

Day 2 — Am, Is, Are: The Being Words *(learned yesterday)*

- I am happy.
- She is at home.
- They are my friends.
- The mangoes are sweet.
- Is he ready?

Step 2: Learn

Simple Present is for things that happen **again and again** (habits), and for **facts that are always true**.

Magic words: every day, always, usually, often, sometimes, never, on Mondays.

The Rule (very important!)

- For **I, you, we, they** ➜ use the plain verb. (V1)
- I **play**. You **play**. We **play**. They **play**.
- For **he, she, it** (ONE person/thing) ➜ add **-s** or **-es**.
- He **plays**. She **plays**. It **plays**.

How to add -s / -es:

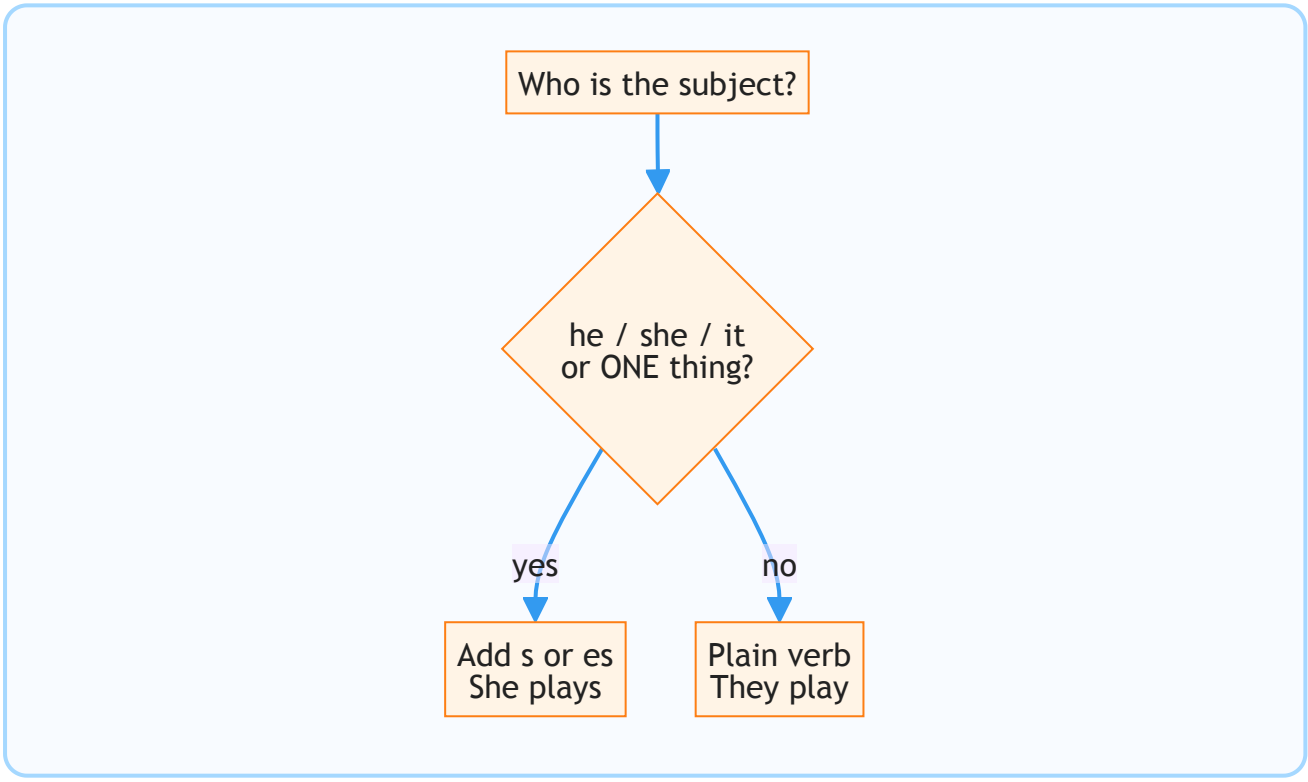

Verb ends in	What to do	Example
most words	add **s**	work ➜ works, read ➜ reads
s, sh, ch, x, o	add **es**	watch ➜ watches, go ➜ goes, wash ➜ washes
consonant + y	change y to **ies**	study ➜ studies, try ➜ tries
vowel + y	just add **s**	play ➜ plays
have	becomes **has**	She has a pen.

Easy trick: *One person gets the "s". Many people get no "s".* (Careful: nouns work the other way. One book, two book**s**. Verb gets "s" when the subject is ONE.)

Many examples:

1. I **wake** up at 6 o'clock.
2. You **brush** your teeth.
3. He **eats** breakfast at 8.
4. She **goes** to school by bus.
5. It **rains** a lot in July.
6. We **play** in the evening.
7. They **live** in Mumbai.

10. Water **boils** at 100 degrees. (a fact)
11. The sun **rises** in the east. (a fact)
12. Ravi always **watches** cartoons.
13. My dog usually **sleeps** under the table.
14. Our team often **wins**.

Flow Chart: Simple Present: do I add -s?

Step 2: Learn

To say **NO** or to **ASK** in Simple Present, we need a helper: **do** or **does**.

The big secret: when **does** comes, the "s" jumps to **does** and leaves the verb. The verb goes back to plain.

	Helper	**Verb**
I / you / we / they	**do not (don't)**	plain verb
he / she / it	**does not (doesn't)**	plain verb

- She plays. ➜ She **doesn't play**. (NOT "doesn't plays")
- They play. ➜ They **don't play**.

Questions: put **Do / Does** first.

- **Do** you like tea? ➜ Yes, I **do**. / No, I **don't**.
- **Does** she like tea? ➜ Yes, she **does**. / No, she **doesn't**.

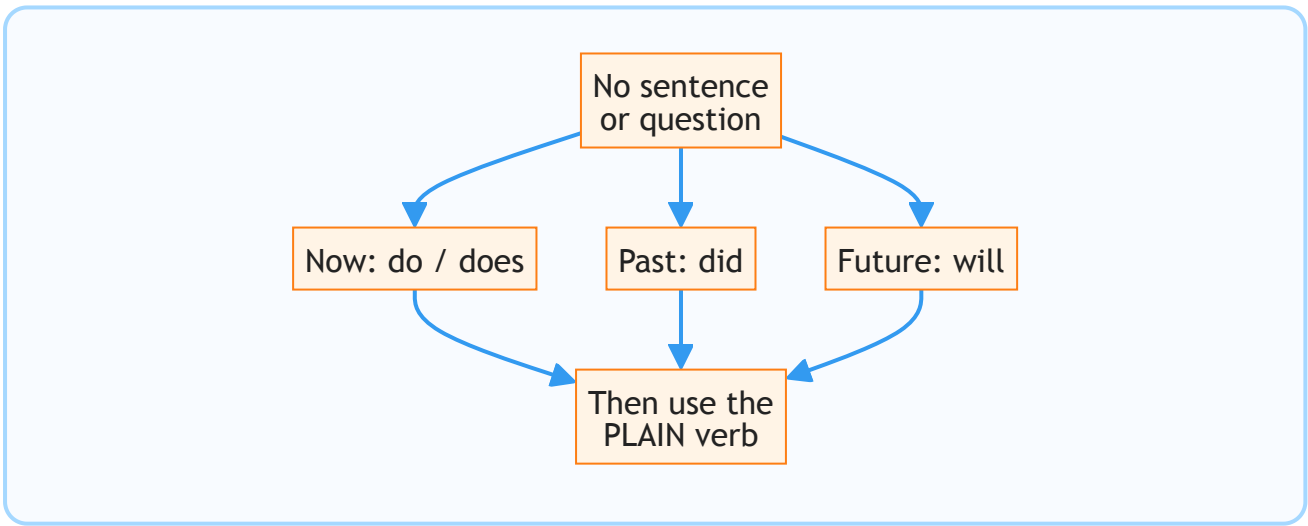

Question words go in front: What, Where, When, Why, How.

- **Where do** you live?
- **What does** he eat?
- **Why do** they run?

Many examples:

1. I **don't** like spicy food.

1. I don't like spicy food.
2. She doesn't wake up late.
3. Do you play chess?
4. Does he live near here?
5. Where does she study?

Day 5: One or Many? Subject and Verb Must Match

Time: 30–40 minutes

- The mangoes are sweet.
- Is he ready?

Step 2: Learn

This is the most important rule in spoken English:

> **ONE subject ➜ ONE verb form. MANY subjects ➜ MANY verb form.**

This is called **Subject-Verb Agreement**. It means the subject and the verb are **friends who agree**.

Subject	Verb (be)	Verb (do something)
One: The manager	**is**	**completes**
Many: The managers	**are**	**complete**

Examples (copy these from real office talk):

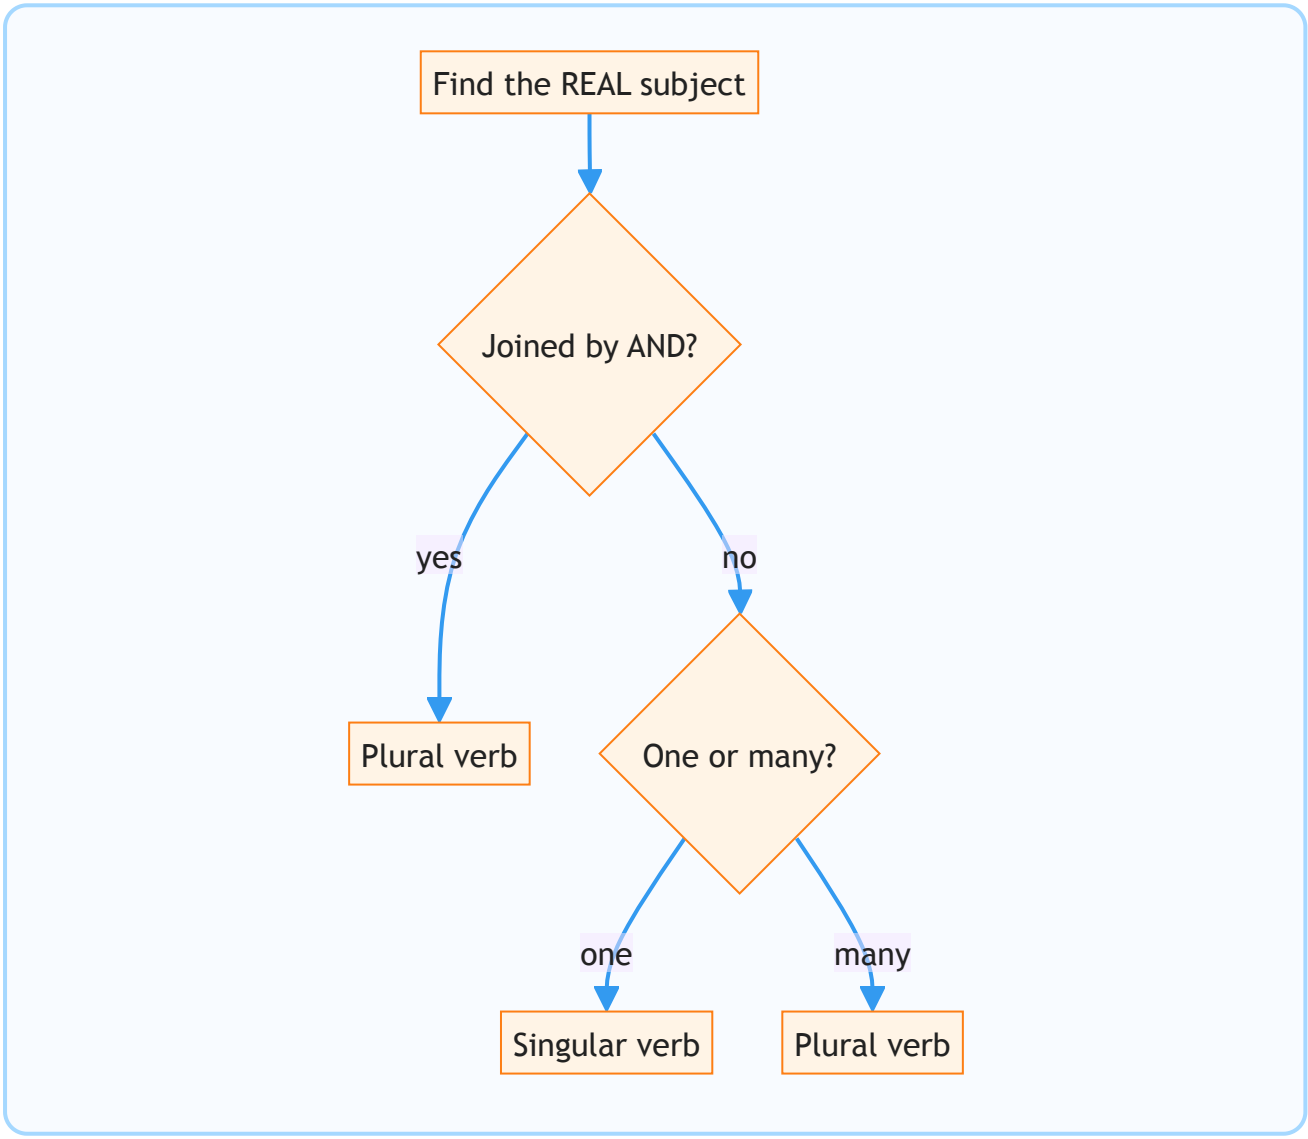

1. Vishnu always **completes** his reports on time. (one person)
2. The manager **is** in a meeting. (one person)
3. Sarah and Nancy **lead** the marketing team. (two people)
4. The children **are** playing. (many)

5. The child **is** playing. (one)
6. My friend **likes** music. (one)
7. My friends **like** music. (many)
8. The dog **barks**. The dogs **bark**.
9. A bird **sings**. Birds **sing**.
10. This book **is** old. These books **are** old.

How to check quickly (3 steps):

1. Find the **verb**.
2. Ask: **WHO or WHAT** does it? That is the subject.
3. Is it **one** or **many**? Pick the matching verb.

Flow Chart: Subject-verb agreement

Special case	Rule	Example
A **or** B / neither A **nor** B	match the closest	Neither Tom nor the boys **are** here.
everyone, each, nobody, every	singular	Everyone **is** here.
both, few, many, several	plural	Many **are** here.
team, family, class	singular	The team **is** ready.
along with, as well as	ignore the guest	Irfan, along with his team, **is** here.

Say it aloud, 3 times each (this is your daily drill):

1. The manager is in a meeting.
2. Sarah and Nancy lead the team.
3. The dog barks. The dogs bark.
4. My friend likes music.
5. My friends like music.

Step 3: Verbs of the Day

V1 (today)	V1 + s (he/she/it)	V2 (yesterday)	V3 (have/has/had)
bring	brings	brought	brought
build	builds	built	built

1. The list of tasks, ~~as well as the schedule,~~ **was** reviewed.
2. The new project proposal, ~~along with several supplementary documents,~~ **has** been submitted.
3. Irfan, ~~along with his team,~~ **is** presenting.
